Grant of Authority

Alcoholics Anonymous World Services, Inc., 475 Riverside Drive, New York, USA (A.A.W.S), hereby authorizes and empowers Anonyme Alkoholiker Interessengemeinschaft e.V., Lotte-Brandt-Str. 14, 80939 Munich, Germany, to assert comprehensively the proprietary right of use and other rights enjoyed by A.A.W.S. in the book "Alcoholics Anonymous" by Bill Wilson and to take legal proceedings in its own name against any publication of this work in English or in any other language not approved by A.A.W.S, irrespective of the form of the publication concerned (book, cassette, CD-ROM, Internet, On-line, etc.). This authorization also includes leave for the civil action by A.A. e.V. against 1. Mr. M [REDACTED], 2. Jurgen Lauer in the District Court of Frankfurt/Main, division for copyright matters. A.A.W.S. has understood that A.A. e.V. will act as plaintiff in this lawsuit in "Prozebandschaft" for A.A.W.S.

A.A.W.S. has a serious interest in preventing non-authorized publications of the book "Alcoholics Anonymous." For one thing such publications will damage the intellectual unity of the Alcoholics Anonymous program, especially if they differ from the original text; for another, the revenue from the sale of the book (in English and in any other language) has been an important source of income for Alcoholics Anonymous service boards and committees since it was first published in 1939, and without this source of income the vital services of Alcoholics Anonymous groups worldwide could not be maintained.

New York, this 27th January, 1999

Sally Meth, President
